

Statement – Young people first

It is the policy of British Naturism to safeguard the welfare of all children by protecting them from physical, sexual and emotional harm.

If you suspect a child is being abused:

1. immediately tell the Child Protection Officer
2. record the facts as you know them and give a copy to the Child Protection Officer
3. ensure that the child has access to an independent adult
4. ensure that no situation arises which could cause any further concern

If a child tells you about abuse by someone else:

1. allow the child to speak without interruption, accepting what is said
2. alleviate feelings of guilt and isolation, while passing no judgement
3. advise that you will try to offer support, but that you **must** pass the information on
4. same steps as 1-4 as in suspecting a child is being abused

If you receive an allegation about any adult or about yourself:

1. immediately tell the Child Protection Officer
2. record the facts as you know them and give a copy to the Child Protection Officer
3. try to ensure no-one is placed in a position, which could cause further compromise

If about yourself - **You must refer**; you must not investigate
